MEDICOINDUSTRIEN

The Danish Trade Association for companies which develop, manufacture, sell or otherwise take an interest in CE-marked medical devices

Created in **2001**
(merger of DMDA and Kirumed)

Mission

To promote the commercial and political interests of its member companies with three top priorities being:

- 1) Quality of life – medical devices add years and quality to life
- 2) Patient Safety – regulatory approval and control of production plus training in the correct use of medical devices
- 3) Health Economy – medical devices help reduce healthcare system limitations and the industry is one of Denmark's major exporters to the global market
